

# Combined Degree (BS/MS) in Wildlife Ecology and Conservation

I. I am applying for the Combined Degree Program (BS/MS) in Wildlife Ecology and Conservation (WEC), and have reviewed the requirements and information on Combined Degree Programs at UF (<https://catalog.ufl.edu/ugrad/current/Pages/combined-degrees.aspx>), in the College of Agricultural and Life Sciences (<http://cals.ufl.edu/faculty-staff/docs/policies/policymanual10-19-12.pdf>), and in the Department of Wildlife Ecology and Conservation ([www.wec.ufl.edu](http://www.wec.ufl.edu)), including financial aid considerations.

I understand that 1) I must have  $\geq 3.2$  GPA in my undergraduate courses and completed all Critical Tracking Courses, WIS 3401 Wildlife Ecology and Management, and Ecology Common Course Requirement with a grade of B or higher; 2) I must meet WEC Graduate Program Admission Requirements (<http://www.wec.ufl.edu/grad/admissions.php>); 3) I need to apply to the UF Graduate School and complete/submit the UF Combined Degree Program Request Form (<http://www.admissions.ufl.edu/pdf/combdegreerequest.pdf>) to the Dean of the College of Agricultural and Life Sciences (CAL S); 4) my admission into the MS in Wildlife Ecology and Conservation Program is contingent upon acceptance/approval of the UF Graduate School and CAL S; 5) upon completing my B.S. degree, I must maintain satisfactory performance for a WEC/CAL S/UF graduate student, as described in <http://www.wec.ufl.edu/grad/>, <http://www.cals.ufl.edu/students/graduate.php>, <http://gradcatalog.ufl.edu/content.php?catoid=10&navoid=2017>; and 6) the courses on the attached UF Combined Degree Program Request Form will count towards both my BS and MS degrees, and I must maintain a 3.0 GPA and have no grade lower than a C in these courses.

For the MS degree, I will pursue a:    Thesis    Non-Thesis    (circle one)
